THE MAPLE SUGARING TOUR

The Rocks offers a unique, HANDS-ON and customizable Maple Tour during sugaring season—from early March through mid-April. Guests will learn the history of maple sugaring, from the times of Native Americans to present day. This informative presentation, held in our Education Center, demonstrates how to tap a maple tree, as well as how the sap is collected and processed using the traditional method of boiling. Participants are then treated to a taste of maple syrup (with sour pickles to cut the sweetness), made onsite at The Rocks.

MAPLE TOUR: $14 per person *(Tour lasts 1½ hours. Minimum tour cost is $350)*

- Handicap accessible
- Motor coach parking
- Free admission for bus driver and one escort

*Prices good through 2025
